Current Affairs Special — Master File · SSC CGL

The single consolidated CA-Special resource — the only 5 current-affairs categories SSC actually tests, per the PYQ Blueprint: **Awards · Reports & Indices · Important Days · International Organizations · Books & Authors**. (Sports winners & Govt schemes live in their own files.)

⚠ **CA moves.** The **static skeleton** (which award for what, which index by which body, which day on which date, HQ of orgs, classic books) is here and rarely changes. Verify *current* holders/rankings from a recent source before the exam. Live daily headlines: Daily GK PDF.
